

You won't hear it coming...

Every supermarket and every DIY store wants to ensure their customers are in a good environment. A provision for this is a quiet and peaceful shopping atmosphere, whilst the employees transport different goods.

The Panther Silent's specially designed wheels ensure noiseless transport and the pallet truck is therefore tailor-made for customer areas. Silent transport is also advantageous in areas with both shops and living quarters.

The wheels are gentle to expensive floors and flagstones often used in customer areas. Panther Silent therefore saves on maintenance costs due to damage and wear. Panther Silent is manufactured using high quality materials to provide a long operating life.

PANTHER SILENT

Technical Description

Strong and reliable pallet truck, ensuring a silent and gentle handling of many different pallets.

Tested to below 60 dBA

- Special soft rubber wheels (both steering and fork wheels)
- Minimum friction of all movable parts
- Close tolerances

Optimum manoeuvrability and space utilisation

- Twin fork wheels
- Very short length behind the forks
- Low truck weight and tight turning angle

Long operating life and low maintenance costs through

- Strong construction
- Tests with up to 46,000 lifts

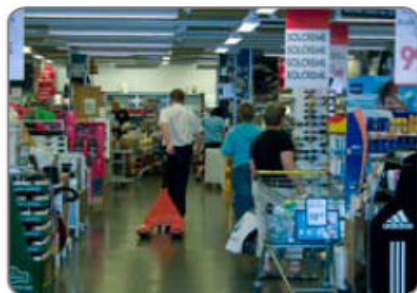

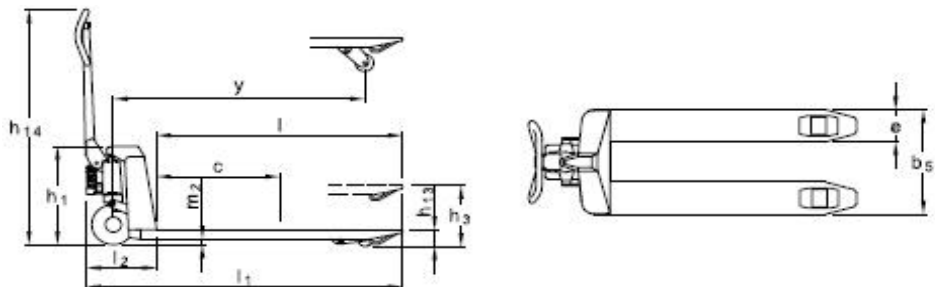

The special rubber wheels are gentle to floor and flagstone layer and also have anti-static qualities

The hoop skates on the forks ensure an easy fork insertion and withdrawal in/out of pallets

A company name or logo can be cut into the A-frame (optional extra)

Panther Silent in a supermarket, where comfort and wellbeing of the customer are vital

Easy handling of goods is ensured even in very confined spaces

Product (measured in mm)		PS2081
Capacity (kg)		2000
Lifting Height	h3	h13 + 120
Fork Length	l	600, 810, 915, 970, 1066, 1140, 1220, 1520, 1800, 2000, 2400*
Overall Height	h1	H13 + 412
Overall Width	b5	520, 680
Length Without Fork	l2	335
Overall Length	l1	l + 335
Fork Width	e	160
Wheelbase	y	l + 25
Overall Height h14		1170
Lowered Height	h13	Adjustable 85 to 93
Load Centre	c	l / 2
Ground Clearance	m2	h13 - 47
Turning Angle of the Wheels		220°
Fork Wheels - twin		Ø85 x 88
Steering Wheel		Ø200 x 50
Weight		63kg (520 x 1140)

* Reduced capacity 1500 kg

Ergonomic handle ensures the user a relaxed hold

With twin fork wheels it is very easy to change direction

Panther Silent has permanent quick-lift
