

Electric Pallet Trucks

E-Truck Terrain

Lift Capacity: 2000kg

Gradeability:

E-Truck Terrain 1.6t
10% Laden / **20%** Unladen

E-Truck Terrain 2.0t
8% Laden / **16%** Unladen

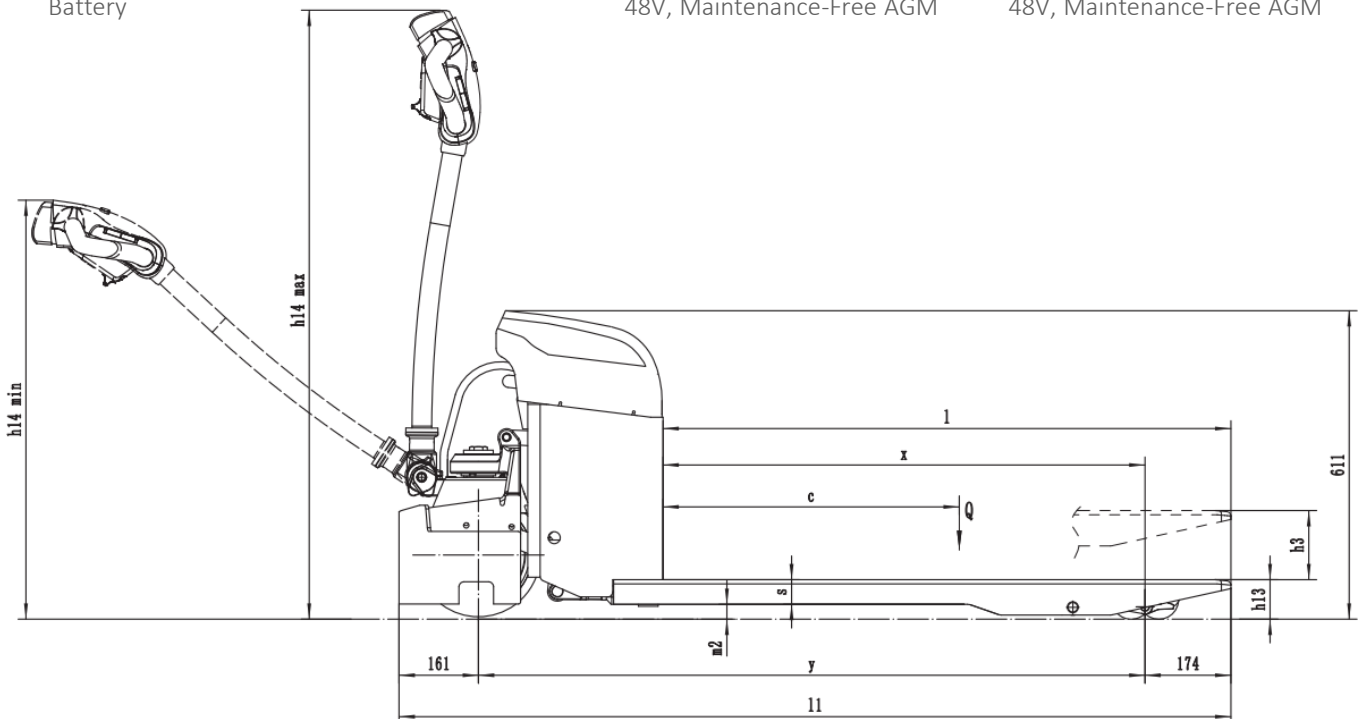

The tough electric pallet truck for rough & uneven ground, ramps, slopes, inclines & gradients

- DC Power with large 1.6 or 2 tonne lift capacity
- E-Truck Terrain 1.6t is able to traverse a slope of 10% when fully loaded (2.0t model: 8% fully loaded)
- Large 260mm drive wheel; better able to withstand outdoor use on rough and uneven ground
- Solid, durable frame, lift cylinder fitted with incorporated shock absorber
- 48V Brushless drive motor
- Easy to maintain
- Small compact design for agility and use in confined areas
- Ergonomic handle with control buttons positioned to allow operation with either hand
