

# Logitrans EHSS Inox, Custom:

Euro Bins & Tote Bins: Lifters & Rotators (200 litres)

Logitrans semi-stainless steel electric stacker is built with special gripping arms for lifting and handling stainless steel or plastic Eurobin tote bins, with a 200 litre capacity. The arms can be fitted to a **Logitrans straddle stacker**, for lifting and lowering Euro bins. Other lift heights and dimensions are also available.

The arms can also be fitted to a **Logitrans Rotator**; the tote bin can be rotated through 180 degrees each way for filling and emptying.

Units 10 & 11 Bridgwater Court, Oldmixon Crescent, Weston-super-Mare BS24 9AY
